FEET FURNISHERS FOR FOLKS

102 S. Palafox St.

Pensacola, Florida

TERSELY TOLD.

Wm. Fell, an employee of the Bay Fisheries company at St. Andrews, arrived here yesterday on the steamship Tarpon.

John R. Sharpe, a prominent citizen of Bainbridge, Ga., is in the city on a short business visit.

The work of constructing the concrete base for the fountain in the Plaza is progressing nicely, and within a short time the handsome fountain will be placed in position.

J. V. Price, Pensacola representative of R. G. Dun & Co., has returned from Tennessee, where he visited his mother.

Walter Willis, of the Willis Musical Comedy Co., which has been playing at the opera house all the week, will leave tonight for Oklahoma City, where he will join Jules Murray's "Red Mill" company, taking the place of Joe Whitehead. Last night he was presented with a handsome diamond stud by members of the company.

The maximum temperature at Pensacola yesterday was 63 degrees at 3 p. m., while the minimum was 46 degrees at 6:30 a. m. Last year on the same date the maximum was 66 degrees and the minimum 52 degrees. The average maximum for this date is 57 degrees and the average minimum 42 degrees.

The State Federation of Labor is

"Shiny" Fat Folks

One of the fat woman's chief grates in life is her shiny, greasy skin. If it be pimply besides, as it probably is (or may be), her cup of anguish is full. Powder and cosmetics simply hide these horrors for a season—a very short season. They are not a cure for them. There isn't any cure for them, except getting rid of the grease beneath. When she does that she finds her complexion improves. In this way only can I account for the clear, natural complexion acquired by those who use the Marmola receipt: One-half ounce Marmola, 1-2 ounce Fluid Extract Cascara Aromatic, 1-2 ounces Peppermint Water. By causing the excess flesh to be absorbed, it clears the blood of the globules of fat which, physicians say, cause the greasy, oily skin of the over-fat.

This simple receipt makes a mixture both pleasant and harmless. It causes neither wrinkles nor stomach disturbances. It is also quite inexpensive. Make it a point to try some; take a teaspoonful after meals and at bedtime for a week or two and see if your oily skin does not quickly disappear. As you lose your fat your complexion should progressively improve, and after a month or so, when you have lost 25 or 30 pounds of flesh, it should be nearly perfect.

to convene in annual session at Palatka on January 19, and it is probable that delegates will go from Pensacola. One of the matters to be discussed at the approaching meeting is whether or not the labor organizations will have a representative present at Tallahassee during the approaching legislative session.

INSIST ON BLUE RIBBON. Don't call for vanilla—don't be satisfied with extracts of unknown quality but call for demand and insist on having Blue Ribbon.

A DANGEROUS COUGH

Wife of Newark, Ohio, Man Had Symptoms of Consumption, Was Badly Run Down and Reduced in Flesh.

RESTORED TO HEALTH BY VINOL.

"About two years ago my wife was in very poor health. She had no appetite, was much reduced in flesh, and for three months had a very bad cough, with all the symptoms of consumption. Vinol was recommended and she began taking it; before the first bottle was used her appetite was better, and she was improving in health; by the time she had taken three bottles the cough was gone. She is still taking Vinol and cannot say too much in its praise." N. L. Stebleton, Newark, Ohio.

The reason that Vinol is so successful in such cases is because it is the only preparation that contains tonic iron together with all of the healing, body-building elements of cod liver oil, actually taken from fresh cods livers, but no oil.
Without hesitation we proclaim our faith in Vinol for chronic coughs, colds or bronchitis and as a body builder and strength creator for old people.

Anyway, if you try it and it does no good we will refund your money on demand. White's Pharmacy, Pensacola.

Jagrippe: Frederick Freeman, 1 year, dysentery; Mamie Sheppard, 31 years, gleetal access; John Bell, 5 months, diarrhoea; Mariah Nixon, 54 years, Bright's disease.

CAUGHT MAN AT OLIVE, FLA.

LESLIE MOYE, CHARGED WITH EMBEZZLEMENT, ARRESTED THERE YESTERDAY AT NOON.

Leslie Moye, a young white man, charged with the embezzlement of a scarf pin from one of the boarders at Mrs. Ellis's boarding house, on East Intendencia street, was arrested yesterday at Olive by Deputy Sheriff Smith and brought to the city and locked up at the county jail.

Scientific Spanking consists in punishment only when a child is actually bad. Some mothers think that all crying is badness, it's not. When your baby cries, look for pins or some external cause. If you can't find them give the baby White's Cream Vermifuge as the chances are it is suffering from worms which keep it hungry and cross all the time. Pleasant to take—sure in its action. Price 25 cents.
Sold and recommended by W. A. D'Alemberte, druggist and apothecary, 121 South Palafox street, Pensacola, Fla.

J. C. GRIFFITH BADLY INJURED IN RUNAWAY

THROWN FROM BUGGY AGAINST A TREE, RECEIVING INJURIES ABOUT HEAD AND SHOULDERS—ACCIDENT OCCURRED ABOUT TWELVE MILES FROM LAUREL HILL.

J. C. Griffith, of this city, traveling salesman for the Consolidated Grocery Co., is in a serious condition at the home of Dallas Peaden, twelve miles from Laurel Hill, as the result of being thrown from a buggy Thursday afternoon, when his horse became frightened at some object. He was unconscious until Friday morning at 10 o'clock, and a telegram received from physicians in attendance yesterday afternoon stated that unless complications ensue he will probably recover.

Mr. Griffith, according to what could be learned, had secured a team at Laurel Hill to call upon some customers in the country. Late in the afternoon when about 12 miles from Laurel Hill the horse attached to the buggy became frightened at some object and became uncontrollable. Mr. Griffith was thrown from the buggy against a large tree standing by the side of the road. He suffered a very bad scalp wound, sustained a break of the collar bone, and was otherwise injured about the head and shoulders.

He remained unconscious by the tree for about three hours, when a party passing with a team found him and carried him to the home of Dallas Peaden. His condition is such that he can not be moved from there at present.

Mrs. Griffith and Mrs. Ida McAllister left Pensacola as soon as possible and are at the bedside of the injured man.

How is Your Digestion.
Mrs. Mary Dowling, of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market today." This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness, 50c. at all druggists.
